REPORT CARDS AND GRADE UPDATES

BWMS will be electronically reporting grade updates and grade cards via the parent power-school access. If you need/want a paper report you must contact the BWMS Office and request a printed report. Grades and attendance are computed and reported to parents once every nine weeks. Grade update days occur approximately half way through the nine week period. These reports are designed to help parents monitor their child's progress. Ongoing grade progress is always visible via the parent's portal.

CLUBS AND ACTIVITIES

BWMS sponsors a wide range of extra-curricular activities for its students. In an effort to reach a majority of our students, the activities and clubs range from academic to athletic. The faculty sponsor or the principal must approve membership in all clubs.

All club meetings and activities take place before or after school hours. Therefore, students who participate must have their own means of transportation. Parents are expected to pick up their children following meetings, practices, games, etc., at the scheduled ending time. Teachers are unable to provide supervision beyond that time. Students who owe debts to the school are not eligible to participate in extra-curricular activities.

Any student may be removed from any extra-curricular activity for failure to maintain a good academic average or for disciplinary reasons and attendance issues. In some activities, a suspension from school will result in disqualification.

The following activities may be available to your child:

Art Club	Big Brothers/Big Sisters	Math Counts	Running Club	Science Club
Ski Club	Student Council	Tech Club		

FIELD TRIPS

Throughout the school year, the **BWMS** team plans and designs field trips to enrich our students' educational experiences. However, please keep in mind that field trips are a privilege, not a right. A student's **grades, attendance, and behavior** are key factors in determining his/her successful participation in these educational opportunities. The staff reserves the right to refuse participation to any student who has unsatisfactory academic performance, has been a source of disruption or

discipline problem, has had attendance problems or whom they believe would jeopardize the smooth operation of the trip. **Note: School and Athletic fees must be paid to participate in 8th grade DC and Ohio Trips.**

GUIDANCE

The guidance counselor is available to assist you and your parents with any educational, vocational, social, or personal problems that might arise. Students are encouraged to make appointments with the counselors; however, in the case of emergency, please notify your teacher.

HOMEWORK LUNCH DETENTIONS / HOMEWORK INTERVENTION

Completion of work is essential to learning; homework provides students with practice opportunities and also provides prerequisite information for new content. At BWMS, students not completing assignments will be sent to lunchtime Homework Detention (HD). Those students with chronic work completions issues may be assigned to Homework Intervention (HI) which is a supervised work time during the student's student center time and lunch time. Assignment to HI will occur via the guidance office after communication with the family.

HONOR ROLL

Any student earning a 3.8 GPA or all A/A- in a nine week grading period will be designed an honor roll student. The SOAR Program will provide for honor roll recognition/rewards throughout the year. Note: Anytime an accumulative honor roll reward is given for the year, it will be based upon the marks earned during the first three quarter grading periods.

SOAR

Big Walnut Middle School students are encouraged to strive for high standards of conduct in order to maximize their potential as student citizens. The acronym SOAR stands for those areas in which students should be continually growing.

Scholarship: Going above and beyond expectations & Striving to become a stronger learner

Ownership: Taking responsibility for your actions in and around BWMS

Awareness: Understanding your role in taking care of BWMS and other people

Respect: Being the best you can be & Allowing others to do the same

To encourage a school climate which encourages growth in these areas, the SOAR committee does a variety of things throughout the building and throughout the year to remind everyone to create a school culture that SOARs!

SOAR Student Recognition

Students that are exemplifying the qualities in SOAR are selected throughout to be spotlighted for their inspiration to the BWMS school community. Students may be nominated by staff or students at BWMS. A committee takes these nominations and selects students to recognize. Once a student has been spotlighted, they are considered part of the SOAR Student Team. These students receive ongoing rewards throughout the year if they wear their SOAR t-shirt on reward days. If a student on the SOAR student team no longer embodies the criteria for the recognition, the student will no longer be eligible for rewards. This will be made clear to the student by school administrators.

POLICIES

EXPECTATIONS FOR STUDENTS

Students have responsibilities. These responsibilities include regular school attendance, conscientious effort in classroom work, and a commitment to accept and follow school rules and regulations. Most of all, they share with the development of a climate in the school that is conducive to wholesome learning and living. The ultimate goal of the school is to provide the students with attitudes and behavioral patterns, which will lead to productive employability and result in an individual who is a positive, contributing member of society.

It is further recognized that during the school day, the role of the school official and teacher is in place of parents relative to the student. School officials must often make decisions which protect the health and well being of all students, while at the same time safeguarding individual rights. The need to foster a positive educational setting is uppermost in our minds.

The need for a well-ordered school environment is unquestionable. So that every student and parent will be informed, rules and regulations pertinent to daily school life are outlined. The benefit of following these guidelines is the eventual goal of self-discipline. Students will be afforded all rights as required under due process and the provisions of the Amended Substitute HB421 of the State of Ohio.

STUDENT CONDUCT

Good conduct is based on respect and consideration for the rights of others. Students will be expected to conduct themselves in such a way that the rights of others are not violated. Students of the Big Walnut School District will conform to school regulations and accept directions from authorized personnel. A student who fails to comply with established school rules or with any reasonable request made by school personnel on school property and/or at school related-events will be dealt with according to approved student discipline regulations.

Students and parents will annually receive at the opening of the school, or upon entering during the year, written information on the rules and regulations to which students are subject to while in school or participating in any school-sponsored activity or event. The information will include the types of

conduct that will make them liable to suspension or expulsion from school or other forms of disciplinary action.

RETENTION

The administration has the right to retain students that are not meeting academic standards.

PARTICIPATION AND PHYSICAL FORMS

Listed below are interscholastic athletics offered at the middle school. Seventh and eighth grade students may participate in extracurricular athletics. The athletic programs offered at the middle school include the following:

ELIGIBILITY

To be eligible, a student-athlete must be enrolled in an OHSAA member school and have received passing grades in (5) one credit classes, in the immediate preceding grading period.

For eligibility, summer school grades may **not** be substituted for low or failing grades.

All incoming 7th graders are eligible for the fall sports athletic season of their 7th grade year.

GPA Requirements for athletic eligibility as adopted by the Big Walnut L.S.D. Board of Education

Grade 7 = 1.25

Grade 8 = 1.25

Grade 7 to 8 = 1.25

Grade 8 to 9 = 1.5

Students eligible for reduced lunch will pay a reduced fee of \$37.50 per activity and students eligible for free lunch will not be required to pay a participation fee. (If release permission is given of the Free and Reduced Lunch application to share the information with BWLS). **Upon completion of an athletic season all school and athletic fees must be paid prior to an athlete's participation in their next athletic season.**

DISCIPLINE PROCESS AT BWMS MIDDLE SCHOOL

STUDENTS' RIGHTS AND RESPONSIBILITIES

Student rights and constitutional protections are important to today's students. The primary function of any school system is to educate; the educational function in the area of rights is to guide students in the development of self-discipline. The exercise of self-discipline is directly related to the increased freedom and responsibility of each individual.

Since all functions of the school's educational program should be based on joint goals for accomplishment among students, parents, teachers, and administrators, the following list of rights with corresponding responsibilities has been developed and is intended only as a guide for cooperation, learning, and growth. **When in doubt, seek out an adult.**

Rights:

1. Students have the right to a relevant and meaningful education, which allows for the maximum potential growth of the individual.
2. Students have the right to physical safety and the protection of personal property.
3. Students have the right to consult with teachers, counselors, and administrators concerning learning, social, personal, and general school problems.
4. Students have the right to participate in the development of rules and regulations and the right to be notified of such rules and regulations.
5. Students have the right to be represented by an active student council selected in school elections.
6. Students have the right to be treated with dignity and respect by all individuals at all times.

Responsibilities:

1. It is the student's responsibility to attend school regularly, be on time to classes, and do assigned work to the best of his/her ability.
2. It is the student's responsibility to cooperate by being where expected at all times, and by not disrupting the educational process.
3. It is the student's responsibility to bring learning problems and general school problems to counselors, teachers, and administrators, as well as to offer suggestions for the solutions of such problems.
4. It is the student's responsibility to bring suggestions and concerns to the school staff or elected representatives regarding rules and regulations, to participate in the development of codes or procedures and to obey those rules, which exist.
5. It is the student's responsibility to conscientiously vote for the best candidate, to take problems to elected representatives, to be aware that he/she may take an active part in student government by running for office.
6. It is the student's responsibility to use good judgment in the exercise of constitutional rights that do not interfere with the rights of others.
7. It is the student's responsibility to treat all individuals with dignity and respect at all times.

CODE OF CONDUCT

It is the commitment of all personnel at **BWMS** that the primary purpose of the school is to provide education for all students without interruption of the educational process. Occasionally this process is disrupted by circumstances that call for corrective procedures to be applied. The main thrust of our discipline is corrective in nature. Every attempt is made to keep the home informed of problems as they develop. The classroom teachers often will make the initial contact while the attendance officer and administrators will make additional contacts on an as-needed basis. These contacts are based upon teacher referral. In addition, special help is provided to the student through counseling by a variety of staff members and by utilizing mediation where applicable. On many occasions, outside agencies are also contacted for the purpose of providing specialized help. Disciplinary action will be a consequence of the student's misbehavior, and, **if the situation merits, a referral to police and/or court authorities may be made for additional support. Students may be subject to school discipline for any harassment, vandalism, physical abuse, or other disruptive behavior towards school**

personnel both during and non-school time. Discipline will be cumulative and based on past behavior.

ARTICLES – The following are guidelines to consequences. Some of these guidelines are in line with State and Federal requirements. The administration reserves the right to change or modify if a situation warrants. In recognition that any list of prohibited conduct cannot encompass every conceivable action, the guidelines listed below do not restrict the principal from using his/her judgment in interpreting and implementing consequences. The administration has the right to evoke the policy prior to it being announced and or posted.

25. Transportation Violation

Bus Conduct- Manners/Treatment of Drivers

Bus transportation is a privilege. **The bus is an extension of the school and all school rules apply.**

Students must ride the bus assigned to their neighborhood and wait at designated stops only. In order to insure the safety of the riders, students who ride the bus are expected to adhere to the safety rules as outlined by the bus driver. The bus driver is in charge of the bus and his/her directions must be followed. The driver shall report unmanageable students via the Bus Conduct Report to the building principals. Disorderly conduct, which is any behavior that jeopardizes student's safety, shall be sufficient reason for refusing transportation service to any student. State Law (3319.41 OCR) grants drivers the right to use reasonable or necessary force to restore order and protect property of others. No extra riders will be permitted on the last day of a school week. Only one extra rider per student is permitted on any other day. **A note from both parents must accompany each child's request for an extra rider. These notes must be validated by the school office prior to the students riding the bus.** Note: Cell Phones are not to be out or in use while riding the bus. Cell phones are not to be out or in use when loading and unloading.

Major infractions include any and all of those listed in the school agenda. Additionally, any conduct and/or behavior that endanger students, the driver or the public, including throwing items from the bus, is considered a major infraction, which may result in an immediate removal from the bus including up to a 10 day bus suspension.

Minor infractions include those listed in the school agenda. In addition, eating and/or drinking on the bus, standing or moving from seat to seat, and riding the wrong bus are considered minor infractions.

Typically (with the exception of major offenses), the driver will follow the following progression:

- | | |
|-------------------------|--|
| 1 st offense | Verbal warning |
| 2 nd offense | Verbal warning, phone call home |
| 3 rd offense | 1 st bus write-up to office |

Once the discipline reaches the office level the consequences will become progressive. Consequences are not limited to but may include court involvement and permanent loss of bus transportation.

26. Trespassing and/or Unauthorized Entry

No student without privilege to do so shall enter or remain on school property when the student knows or reasonably should know that he/she is in violation of any such restriction.

27. Truancy

No student shall fail to attend scheduled class or detentions, as assigned by school officials--this includes students who leave school grounds without the knowledge of the office. No student shall be present in any unauthorized area (parking lot, auditorium, internet etc.). This includes being out of a class/activity without a pass.

28. Unauthorized Publication and/or Distribution Materials

Material published by non-school sponsored groups will not be distributed in the building, on the school grounds, or on school buses without the prior written approval of the school administration. Unauthorized possession of either a material or item can result in confiscation of the item. The item or material may not be returned to either the student or parent.

The above list is not all-inclusive; cases will be dealt with on an individual basis.

DISCIPLINE

At BWMS, we use a progressive discipline system in most instances. We will make every effort to discipline at the lowest level to correct a behavior. However, if we find that this is not having an effect, we will base future disciplinary action on what the child has done in the past and what the current negative behavior seems to be.

Notice to students: The use of video surveillance equipment may be used in the investigation of violations of the Code of Conduct. Students may receive discipline as a result of what is recorded. Consequences will take the form of (in no particular order): meeting with the child, meeting with the child and parent, meeting with school counselor, lunch detention, after school detention, extended school, Saturday School, ISR, OSS, Court Mediation, Charges being filed in Juvenile Court, or Expulsion.

DETENTIONS:

Detentions are issued as minimal punishment with the hope of preventing future unacceptable behavior. If a student violates a classroom rule or practice, the resulting consequence may be detainment in a supervised detention period during lunch or after school (not to exceed 45 minutes in length). Transportation to or from a detention is the responsibility of the parent or designated party. Failure to serve detention will result in other disciplinary actions, including Saturday School or suspension. A student is NOT excused from a detention to participate in athletic events or extracurricular activities.

SATURDAY/EXTENDED SCHOOL:

Saturday School is an alternative to Out-of-School Suspension. At times the behavior of a student goes beyond what can be expected in a school setting. In the past, an out-of-school suspension was given as punishment for the unacceptable behavior. The philosophy of education is to have students in school and not out of school. Thus, the Saturday school is a disciplinary measure that hopefully will discourage future inappropriate behavior, yet permit the student to remain in school and receive an education. Saturday Schools and detentions will only be reassigned one time for appropriate reasons. A note must be sent in with the reason for the change. Being removed from Saturday School will result in two Saturday Schools being assigned. **Students who miss an assigned**

Saturday/Extended School, unless there is an absolute emergency, may be assigned a second additional Saturday/Extended School. Oversleeping, transportation issues, or forgetfulness do not constitute an emergency.

SATURDAY/EXTENDED SCHOOL GUIDELINES:

1. Students will report to the designated location precisely at 8:00 a.m. and will remain until 12:00 noon for Saturday school and 2:00 – 6:00 for extended school. Tardiness to Saturday/Extended School will not be tolerated and will result in additional time being assigned to Saturday/Extended School.
2. Students are to bring schoolwork to do. No other activity will be permitted.
3. Talking and/or sleeping will not be permitted.
4. Students will be given two restroom breaks.
5. Transportation is to be arranged in advance by the student/parent.
6. Should a student have an unexcused absence from Saturday School, he/she will be suspended for one day out of school. The administration will determine whether or not an absence is excused or unexcused.
7. If a student misses Saturday/Extended School because of illness a note or phone call must follow the next school day.

IN-SCHOOL INTERVENTION (ISI):

Students who would be assigned an out-of-school suspension will, at times, serve the suspension at school depending on the nature and circumstances of the misconduct. Students will attend school during regular school hours. However, they will be assigned to a supervised room in an academic atmosphere where they will spend the day working on school assignments, projects, tests, etc., related to the classes they would normally be attending. The in-school retention will provide opportunities for intervention in an academic environment. Students will have restroom breaks and lunch without student interaction. As in all cases there are exceptions. Fighting, vandalism, drug/alcohol-related offenses, weapon possessions, and extreme disrespect are examples of violations that would not qualify for in-school retention. In all cases the type of consequence will be at the discretion of the administration.

EMERGENCY REMOVAL:

"Emergency removal" shall be the exclusion from curricular or extracurricular activities or from school premises of a student who poses a continuing danger to District property or persons in the District or whose behavior presents an ongoing threat of disrupting the educational process either within a classroom or elsewhere on school owned, controlled or supervised premises.

OUT-OF- SCHOOL SUSPENSION (OSS):

Out-of-school suspension is very serious and may lead to a recommendation for expulsion and/or a court referral. Depending on the infraction, OSS ranges from 1 to 10 days and may carry over from one school year to the next. When a student is assigned an out-of-school suspension, these rules and regulations are in effect:

Students are not to be on, or in the vicinity of the school grounds, or to attend any school-related activity. Students who violate this guideline are subject to trespassing charges being filed.

Parents are strongly encouraged to keep the student at home throughout the suspension. Students will be provided with their homework assignments. The assignments are to be returned to the teachers upon return to school. Makeup work will be provided but the student will **not** receive credit.

EXPULSION:

"Expulsion" shall be the exclusion of a student from the schools of this District for a period of 11 or more days, up to and including one year, depending on the infraction. If such behavior is in violation of the dangerous weapons policy, where upon a student shall be expelled for one (1) year for possession of a firearm on school property and may be expelled for one (1) year for possession of a knife on school property. The expulsion may also be extended pursuant to Ohio Revised Code 3313.66 (F) related to permanent exclusion. The above guidelines will also to include bus infractions.

DUE PROCESS:

In the event that a suspension or expulsion is necessary, the student has the right to a hearing with the administrator imposing the discipline to give an account of the incident and/or to challenge the reasons for the suspension or expulsion. In addition, parents have the right to appeal suspension or expulsion decisions to the Superintendent or designee, and the Board of Education or its designee, to be represented in the appeal by a representative of their choosing, and to request that the hearing be held in an executive session.

SEARCH AND SEIZURE (Lockers and Personal):

Lockers: School lockers are the property of the Board of Education. Lockers and their contents are subject to random searches at any time with our regard to any reasonable suspicion. This policy is in accordance with section 3313.20 of the Ohio Revised Code. Any dangerous items, as determined by the administration, will be removed from the student's possession. All items seized may be turned over to the proper authorities for further disposition.

Personal: A search of a student's person will be limited to a situation where the administration has reasonable belief that the student is concealing evidence of illegal act or violation of school rules. Among the factors to be considered in determining whether a search may be made are the seriousness of the problem in school to which the search is directed, and the necessity of making the search without delay. This search may incorporate personally owned property, to include technology. Note: in coordination with the Delaware County Sheriff's office, k-9 units periodically make presence sweeps. During these time searches may occur of any and all Board of Education owned property.

AVAILABILITY OF BOARD OF EDUCATION POLICIES:

The Board of Education has established policies and procedures that pertain to students, staff, and school operations. Copies of these policies and procedures are kept at the school district office, at each building, and under the Board tab on the district web site.

USE OF POLICE AT BWMS MIDDLE SCHOOL/SCHOOL RESOURCE OFFICER (SRO):

It is the philosophy and belief of the administration at BWMS that the responsibility for dealing with student discipline violations rests with us. Thus, we will make every effort to handle such problems in-house, according to the policies and procedures established by the district and the school. However, when violations of state laws or municipal ordinances occur, or where security of person or property appears to be in jeopardy, we will not hesitate to call the police to solicit their assistance.

ATTENDANCE

Good attendance is an important habit. Students are expected to attend regularly and punctually. It is the goal of **BWMS** to promote good attendance habits.

Parents are asked to contact the school by **9:00 a.m.** on a day of absence. The **BWMS** phone number is 965-3006 and our attendance line is **965-7786** the fax number is **965-6471**. If parental notification is received late or not received at all, the absence is recorded as unexcused. Only fifteen (15) parent notifications can be accepted per year before a doctor's note is required. The Missing Children's Act requires the school to contact parents when a student is absent from school.

COMPULSORY ATTENDANCE:

Section 3321.04 of the Ohio Revised Code provides that every parent, guardian, or other person having charge of any child of compulsory school age must send such child to a school which conforms to the minimum standards prescribed by the State Board of Education for the full time the school attended is in session. Such attendance must begin within one week of the date on which the child begins to reside.

ARRIVAL TO SCHOOL:

The attendance officer will meet with at-risk students to resolve attendance problems. 3. Students are not allowed in the bleachers, in the hall, or in the coach's office without permission.
4. A student must never leave class or the area of instruction without a pass from the teacher. Doing so is considered "cutting" class.
5. Jewelry such as necklaces, bracelets, anklets, rings (dangling loop or large earrings); belts, chains, or wristbands are not allowed in the class. These items should be left at home because of safety and security reasons. **Gum, candy, and toothpicks** are specifically prohibited in class.
6. Students should never have large sums of money in P.E. (or in school). Teachers will not be responsible for lost or stolen items.
7. Anytime a student needs to be excused from participating due to illness or injury, he/she must have a note from home written and dated by the parent and turned in before class. Notes from home excuse the child for one day at a time. If the illness or injury last longer than one day, a doctor's note is required stating specifically the length of time to be excused. Notes written by the parent may be verified by telephone.
8. No cameras or camera cell phones are permitted in a locker room.
9. No Sofie Shorts are to be worn.

Physical Education consequences for not dressing out or not participating:

PROCEDURES

AEROSOL SPRAYS:

Due to possible allergies and asthma-related issues, aerosol sprays for personal use are not to be used at school.

BICYCLE, SKATEBOARD, SKATE POLICY:

Students riding bikes to school must have safety reflectors, adequate brakes, and a strong lock. Bikes must be parked where assigned. No skateboards or skates may be ridden to or brought to school.

CARE OF SCHOOL PROPERTY:

Any student, who damages school property, including books, is liable for the cost of repair or replacement. When necessary, arrangements for a payment schedule can be accommodated through the principal. Each textbook has been numbered for easy identification. Students are responsible for the book **assigned to them**. Students must not mark on textbooks, except to put their names in them on the inside cover.

CHILD ABUSE REPORTING:

School employees are required by law to report any evidence of abuse or neglect to the Delaware County Children Services. The school will also cooperate with local law enforcement agencies.

COLLEGE CREDIT PLUS (CCP):

Ohio's new College Credit Plus lets your child earn college and high school credits at the same time. Students may take college courses from colleges and/or universities while still in grades 7th through 12th. This program is meant to promote rigorous academic pursuits and to give college ready students a wide variety of options. Taking a College Credit Plus course from a public college or university is free, meaning you do not pay for tuition, books, or fees. Taking classes at a private college or university may result in limited costs. The designated points of contact are your counselors at Big Walnut High School or Middle School. Application and testing deadlines must be met in order to participate in CCP.

ELECTRONIC DEVICES:

Note: See BYOT Policy for further information.

Once in class the use of electronic devices is solely at the classroom staff's direction. Recording any student or staff member without their permission violates school policy. It is important to remember that all parent communication regarding their child should be communicated through the main office during school hours.

FAMILY EDUCATION RIGHT TO PRIVACY ACT (FERPA):

Notification of rights under The Family Educational Rights and Privacy Act for Big Walnut Local Schools

The following rights are afforded parents and students over 18 years of age ("eligible students") under The Family Educational Rights and Privacy Act:

- 1) The right to inspect and review the student's education records within 45 days of the day the school receives a request for access. Parents or eligible students should submit to the school principal (or the principal's designee) a written request that identifies the record(s) they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- 2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate. Parents or eligible students may ask the school to amend a record that they believe is inaccurate. They should write the school principal (or the principal's designee), clearly identify the part of the record they want changed, and specify why it is inaccurate. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of

their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

- 3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; as person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.
- 4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Big Walnut Local School District to comply with the requirements of FERPA. The name and address of the office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605

FIRE EVACUATION:

When the fire bell sounds, students are to leave the building quickly and silently as directed by staff members.

HALL PASSES/BEHAVIOR:

No student may be in the hallways during classes without a pass issued by his/her teacher.

Additionally no running, loud sounds or other disruptive behavior is allowed (pushing, shoving, slapping, etc.). All students should walk on the **right side** of the hallway.

ILLNESS/INJURY/MEDICATION:

The office must dispense all medication taken during school hours. No Tylenol or any other medication can be given unless parents send written permission including a supply of medication in the **original container**. Students are to report to the office to take medication unless other arrangements are made. It is the student's responsibility to remember they are to take medication. No student may carry his or her own medication (inhalers may be carried with proper medication form on file). If a student is found to have medication or distributes to another student, he or she may be punished according to the district drug policy. Medication Permission Forms are available in the office. If a student needs first aid he/she should report to the school office for assistance.

IMMUNIZATION:

All students attending the middle school must have all required State of Ohio immunizations. Students may be excluded from school for improper immunizations. These absences would be

considered unexcused absences from school. By 7th grade students must have a current immunization record on file with BWMS that shows validation of the T-dap booster.

LATEX FREE ENVIRONMENT:

Due to possible allergies the BWMS aims to be a latex free building. Any material brought into the build should be latex free. e.g. balloons.

LOCKERS:

Each student is responsible for his or her combination lock for his or her hallway and gym locker. The combination lock will be provided to homeroom or physical education teacher. Lockers should be kept **locked** at all times. Students should not reveal their locker number/combination verbally or visibly, or they cannot expect their property to be safe. Lockers must be cleaned every nine weeks. Lockers should be kept clean inside and out. Gummed labels; stickers, and/or pictures are not to be displayed inside or outside of the locker. Markers (including dry erase markers) may not be used on lockers. Damage caused by misuse will be charged to the student responsible. Students should not leave money or other valuables in lockers. Such items should be turned in to your homeroom teacher or the office for safekeeping. If a school supported (e.g. team spirit poster) locker display is placed on the locker, it must have prior administrative approval and only masking tape must be used.

LOST AND FOUND:

Articles found in and around the school should be turned in to the main office where the owners may claim their property. Students are encouraged to label their personal belongings and to have their name in textbooks. Large amounts of money or valuable items should not be brought to school. The school is not responsible for lost articles or money.

LUNCHROOM MANNERS & TREATMENT OF CAFETERIA SERVERS:

Meet your friends in the cafeteria, not in the hallway. Chronic (repeated) late students will be assigned detention. Halls should be clear shortly after the bell. Students in the hall more than three minutes after the bell must have a written pass, or they will be assigned a detention.

1. *No student shall be permitted to enter the lunch line ahead (ditching) of another student already in line, even with the permission of the other student or to resume a previously held position.* Students are not permitted to re-enter the lunch line. Students are advised to procure all food, beverages, condiments, and supplies on their first trip through the line.
2. Students are to enter the cafeteria in an orderly manner. There is to be no yelling, screaming, or making other loud noises in the cafeteria.
3. Throwing food, paper, etc., is forbidden.
4. Students are not to take any food or drink from the cafeteria.
5. The lunch line is **only** for lunch buyers. **Do not eat in this line.**
6. Students are to remove all materials they have placed on tables before leaving the lunchroom. Trays, dishes, and utensils are to be taken to and placed carefully in assigned receptacles. All paper items are to be placed in the waste cans provided throughout the room. Remember to recycle aluminum cans in the proper container.
7. When finished eating, students should empty their trays and then return to their seats. Teachers supervising the cafeteria will dismiss the students once the table and floor area are clean.

8. Students who must leave the cafeteria during the lunch period for teacher-assigned detention or special class projects must have a written pass from their teacher. The only other indication to leave the cafeteria would be to receive medication or in the event of an emergency. Taking care of restroom needs, getting lunch money, or getting coats should be done **before** coming to the cafeteria. Students may not go back and forth between the cafeteria and the gym or outside.
9. Only a couple of students at a time will be permitted to leave the cafeteria, playground, or gym to use the restrooms.
10. Parents who wish to eat lunch with their child must pre-arrange their visits and must sign-in in the office upon entering the building.
11. The Cafeteria will be paperless for their school menus. The menus can be found on the district and school websites. If you would like a paper menu please contact the Middle School Office.

MATERIALS FEE:

The Big Walnut School Board has authorized each school to collect a fee from each student for the purchase of consumable classroom materials. The money will be used for the purchase of instructional materials, workbooks, assignment books, Scholastic newsmagazines, student supplies, and/or equipment for reproducing student worksheets. Students who owe the school for materials fee or any other debts are not eligible to participate in extra-curricular activities or field trips unless the principal gives permission. Any parent, who finds that paying the fee causes financial hardship, may call the principal at 965-3006. Any student who is eligible for free or reduced lunch may also have fees waived or reduced if the information is allowed to be shared with BWLS. Please contact the Middle School or the Treasurer's office, if you have questions or concerns about school/athletic fees.

MEDIA CENTER:

The purpose of the Media Center (MC) at BWMS is to provide students and staff with a wide variety of materials, from leisure reading to in-depth research. Materials range from books, magazines, and newspapers, to videos, films, and CD-ROMS.

Students come to the MC with entire class visits, or they come individually during student center or academic assist. It is a facility that provides services while keeping the needs of BWMS students and staff as its utmost priority. Students are responsible for lost books.

PARENT-TEACHER CONFERENCES:

Parents may make an appointment for a conference with the teachers, the counselor, or the principal on designated parent/teacher conference days (held four evenings a year), by contacting the school office at **965-3006**. However, if situations would arise that would necessitate a conference outside of these times, please do not hesitate to call the office for an appointment at a mutually agreed upon time. We do not offer walk in conferences.

BYOT

Big Walnut Local Schools' Student, Teacher, and Parent Guide and Agreement for Bring Your Own Technology

Big Walnut Local Schools is committed to preparing all students and teachers to maximize learning by fully integrating relevant technology into academic content to acquire, share and evaluate information, achieve media and technology literacy, and maintain a safe and ethical environment. A first step is to develop and implement a plan allowing students to bring their own digital devices to school. As part of this plan, BWLS will implement a program that will allow students to access our guest wireless network using their own technology tools during the learning day. With classroom teacher approval, students may use their own devices in the classroom to access and save information from the internet, communicate with other learners, and use productivity tools provided by Big Walnut Local Schools. Added benefits of this plan will allow future access to digital textbooks and increase access to learning content.

PLAN

Beginning in August of 2012, students may begin bringing their own technology tools to their school campus. Users will be prompted to accept the following terms of use prior to each attempt at connecting to the BWLS guest network:

BWLS is providing wireless connectivity as a guest service and offers no guarantees that any use of the wireless connection is in any way secure, or that any privacy can be protected when using this wireless connection. Use of the BWLS wireless network is entirely at the risk of the user, and BWLS is not responsible for any loss of any information that may arise from the use of the wireless connection, or for any loss, injury or damages resulting from the use of the wireless connection. By entering, "Accept" below, you are agreeing to all cautions and policies as they pertain to non-district devices.

Students, staff, or parents who do not accept the terms of service will not be able to access the BWLS Guest Network. The terms-of-service prompt will post each time an outside user attempts to use this network. Once on the guest network, all users will have filtered internet access just as they would on a district-owned device. All teacher users will be filtered at the student level when using personal technology devices.

FREQUENTLY ASKED QUESTIONS

STUDENTS

I have turned in my signed copy of the BWLS Acceptable Use Policy (AUP). Can I start bringing my device to school?

Answer: Students must also turn in an additional BYOT User Agreement to bring their own devices.

Beginning in August of 2012, participating school teachers and students can bring personal devices approved for use to school after submitting both the AUP and BYOT User Agreement documents.

I have my laptop with me in class. How do I get on the internet now?

Answer: Most laptops or other personal devices will detect a wireless connection when you are near one. Most of the time your technology device will ask you if you would like to join the network. When prompted, choose

BW Guest from the list. Once you choose this network, you will be prompted to accept the terms of service. Read this carefully so that you know what you can expect.

My laptop is not prompting me to choose a wireless network. Is there another way to connect?

Answer: In the settings menu of your device, there is usually an icon for a network, go to this icon and choose BW Guest from the list or prompt your computer to look for wireless networks in range. Always consult your tool's owner's manual for exact directions for accessing a wireless network.

I brought my iPad to school to use in the classroom, but my teacher said I couldn't use it in her classroom. Can I still use it?

Answer: The teacher in the classroom has the final say on procedures in the classroom. If he or she asks you not to use your technology tool, then you should follow those directions.

I just can't get my laptop to connect to the network. Can I get some help from someone?

Answer: The teachers and other BWLS staff will most likely not have time to troubleshoot individual devices. Check your owner's manual for issues concerning connectivity.

I need to save my work to the BWLS network. Why can't I access this resource?

Answer: You are on the Guest Network. It is not the same as the network you would normally access from a campus computer. You will not see your shared folder, so you will need to save your work in another place. Some options include a flash drive, your own hard drive, or your BWLS Google account.

I need to print the spreadsheet I just created, why is there no printer listed when I try this?

Answer: Like the shared folders, printers are networked differently on the campus and will not be available when you login to the guest network. Some printing solutions include, emailing the document through your BWLS Google account to your teacher to print, save it to a flash drive and print it from home or from another campus computer. Keep in mind that using campus printers in the classroom or other learning spaces is at the discretion of the teacher or other campus administrator.

My laptop was stolen when I brought it to school. Who should I contact about this?

Answer: Bringing your own technology tools to school can be useful, however some risks are involved as well. It is always a good idea to record the device's serial number in case of theft. BWLS is not responsible for the theft of a device nor are we responsible for any damage done to the device while at school. Any time a theft occurs you should contact a school administrator to make him/her aware of the offense

Why am I filtered on my own computer? Shouldn't I be able to see what I want to on my own device?

Answer: Student filtering is a requirement of all public schools. The Children's Internet Protection Act (CIPA) requires all network access to be filtered, regardless of the device you use to access it while in a public school. The network you are using while at school belongs to BWLS and will be filtered.

I have a data plan from a provider (AT&T, Sprint, Verizon etc.) on my digital device that allows internet access without using the BWLS guest access. Is this allowable?

Answer: Students are expected to follow the submitted AUP and BYOT agreement when accessing the internet through any device. All students are expected to use the BWLS guest login to access the internet. Students should not access the internet through any cellular data provider while on campus.

Am I still held accountable for the Acceptable Use Policy I signed at the beginning of the school year even though this is my own personal computer?

Answer: Yes. The Acceptable Use Policy for BWLS remains in effect even when you are using your own laptop, smartphone, iPad, etc. Each time you attempt to access the network at school you will be prompted to accept the terms of service which include the AUP. Violating the terms of the AUP would be a student code of conduct violation and would be dealt with on the campus with a campus administrator.

STAFF

My classroom is not conducive to student-owned technology. Am I required to allow my students to access their technology tools in the classroom?

Answer: We encourage teachers to leverage student-owned technology tools in their classroom for learning. The design of the lesson should be used to determine the best use of student provided technology and the rules that apply.

Some of my students cannot access the network on their laptops or phones. I don't have time in a class period to help them with this. Should I put in a help request?

Answer: No. Students who cannot access the BWLS guest network or who may have technical issues with their technology tool need to take care of this issue outside of classroom time by using the owner's manual that came with the device. These are not BWLS devices and the district is not allocating resources at this time to troubleshoot issues. You are welcome to help if you choose, but it is not a staff member's responsibility to ensure that student-owned technology is functioning properly.

I have students and staff on my campus who are accessing the internet using their provider's data plan (AT&T, Sprint, Verizon etc.) on their smart phones or laptops, hence bypassing the filter. Is this allowable?

Answer: Students are expected to follow the submitted AUP and BYOT procedures when accessing the internet through any device.

I have my own laptop and a smart phone. I would like to utilize these tools at work. Does this new plan include campus staff?

Answer: Yes. Campus staff can also access the guest network. Keep in mind that the guest network is going to be filtered at the student level for everyone accessing it. Campus printers will not be accessible with your own devices as well.

One of my students was using his laptop to bully another student on campus. How do I handle this?

Answer: Any disciplinary infractions that occur from using technology tools should be referred to a campus administrator. This would be a student code of conduct issue.

Will students have access to any common software packages via the guest network access?

Answer: No. Locally-installed software packages will not be available. We will continue to evaluate the program and the needs for the future and make changes based on campus recommendations. Students will have access to their Google Apps accounts which provide access to a suite of tools that are compatible with the district office suite. All web-based resources provided by the district will be accessible to the students.

What shall I do if one of my student's devices is damaged or stolen?

Answer: Any theft issues should be handled as you normally would on your campus. BWLS is not responsible for any damage or theft of student-owned technology tools. It would be good to remind students to keep a record of the device's serial number just in case a theft occurs.

PARENTS

My son is bringing his iPad to school for instructional purposes. Will he have access to things he normally does with district equipment?

Answer: Your son will have access to any of the web-based software high school campuses currently use (databases, library search tools, Google apps suite of tools etc.). Software may run differently on different devices for varying reasons. You should consult your owner's manual for software limitations (ex. iPads cannot run software requiring Flash Player).

As a parent, am I required to add additional software (virus protection, filter, tracking device etc.) to my child's technology tool?

Answer: No. Currently we are not requiring any additional software for school use although our technology staff can guide you toward some free anti-virus solutions. Virus protection is always advised, but not required to participate in the program. While on the BWLS guest network, students will be monitored through the district's filter, so there is no need for additional filtering software.

I have read the terms of service and I do not wish to have my daughter accessing the internet using her own laptop. Is this allowable in this program?

Answer: You may choose for your daughter to not accept the terms of use required for bringing a personal device to school. Your daughter would still need to submit the *BWLS Acceptable Use Policy* to use district-owned devices. The school will provide, whenever possible, a district-owned device for use within the class period as needed for instructional purposes at the discretion of the teacher.

I am the president of a booster club on my student's campus. We hold meetings at night. Will we have access to the BWLS guest network after school hours for our meetings?

Answer: Yes. The guest network will be accessible after school hours.

If my daughter's laptop is stolen or damaged, what recourse can I take?

Answer: The district is not responsible for any damage or theft of student-owned equipment. Keeping track of the device's serial number, model and type at home is suggested. Theft or vandalism of any kind should be reported immediately to a campus administrator, so he/she can take the appropriate steps.

What are the campus/classroom rules for using student-owned devices, including phones?

Answer: Teachers make the final decision for any tools used in the classroom; student-owned equipment would be no different. It will be up to the individual teachers to communicate their expectations to parents and students. Contact your child's teachers or campus administration for their expectations.

BYOT ACCEPTABLE USE

Program participants are expected to return a signed BYOT Agreement prior to bringing a personal device to school in addition to the BWLS Acceptable Use Policy. As new technologies continue to change the world in which we live, they also provide many new and positive education benefits for classroom instruction.

Definition of Technology

For purposes of BYOT, "Technology" means personally -owned wireless portable electronic equipment used for instructional purposes. All approved devices must allow access to the Internet through a fully functional web browser and be capable of accessing the BWLS guest network. Recognizing the rapidly changing world of

technology, the list of allowed devices will be reviewed annually. Approved devices include: smartphones, iPads, iPods, laptops, netbooks, tablet computers and eReaders that meet the definition of technology.

Internet

All Internet access shall occur using the BWLS guest network. Cellular network adapters are not permitted to be used by students to access the Internet at any time.

Security and Damages

Responsibility to keep privately-owned devices secure rests with the individual owner. The Big Walnut Local School District, nor its staff or employees, is not liable for any device stolen or damaged on campus. If a device is stolen or damaged, it will be handled through the administrative office in the same manner as other personal artifacts that are impacted in similar situations.

Student Agreement

The use of personal technology to provide educational material is not a necessity but a privilege. Students do not have the right to use their laptops, cell phones or other electronic devices while at school. When abused, privileges will be taken away. When respected, privileges will benefit the learning environment.

Students and parents/guardians participating in BYOT must adhere to all Board policies and the BWLS Acceptable Use Policy. Additionally:

- Students take full responsibility for personal digital devices at all times. The school is not responsible for the security of the device.
- The device must be in silent mode while on school campuses unless otherwise directed by the teacher.
- The device may not be used to cheat on assignments or tests or for non-instructional purposes during instructional time.
- The device may not be used to record, transmit or post photographic images or video of a person, or persons on campus during school activities and/or hours unless assigned by the teacher as allowed by the BWLS Acceptable Use Policy.
- The device may only be used to access files or internet sites which are relevant to the classroom curriculum. Non-instructional games are not permitted.
- Students must comply with teachers' request to turn off the device.

Students acknowledge and agree that:

- The school's network filters will be applied to the BWLS guest network and access to the internet should not be circumvented.
- The school district may collect and examine any device at any time for the purpose of enforcing the terms of this agreement, investigating student discipline issues, or for any other school-related purpose.
- Personal technology must be charged prior to bringing it to school and the device must run off its own battery while at school.
- The students remain subject to all other school behavior rules.

*** Any violation that is unethical may result in the loss of my network and/or use of personal and district device privileges as well as other disciplinary action.
